WORK_SPACE* is thankful to have a strong connection with the Connecticut arts community. We feature a diverse and talented array of local artists in our 3 galleries. If you are interested in displaying your artwork at WORK_SPACE, please complete the form below and return with some images of your artwork.

Dropping Off Artwork:

- Hanging wires must be secure with minimal slack to prevent damage/injury to the artwork and public. Only artwork with proper hanging wire will be accepted (no sawtooth hangers allowed).
- While entries and accepted artworks will be handled with all possible care, all entrants are required to hold blameless WORK_SPACE, their agents, representatives, or employees for any claim arising from damage to or loss to entry materials or accepted artworks for any reason whatsoever. Furthermore, the Manchester Art Association and members exonerate the exhibit location (indicated above) from such liability. It is recommended that the artist insure his/her artwork.

Picking Up Artwork:

- When picking up your artwork, please initial the exhibit list next to your name.
- If you can't make the pick up and drop off dates and times, please make arrangements for your artwork with a friend or fellow MAA member.
- Under NO circumstances should you pick up your artwork before the scheduled pickup date without notifying a WORK_SPACE staff member first. A replacement piece of artwork needs to be provided for the duration of the show.

Point of Sale

- 30% commission of products sold will be paid to WORK_SPACE.
